

# Pierce Downer Winter Holiday Fun Day

We are starting a new Winter Holiday Tradition at Pierce Downer, as a whole school family, we will head to The Tivoli Theater the afternoon of Friday, December 21, to watch "Elf." A treat will be provided for each student (popcorn, lemonade and a fruit snack). After the movie, we will head back to school.

The cost of our movie trip and snack is \$7.50 per person. This can be submitted, along with the field trip permission form below. If you would like to donate an additional \$7.50 (or any amount) to cover the cost of a student who may need assistance, please feel free to do so. Any additional money collected over the amount needed will be applied to the bus cost.

In the past, for holiday parties, room parents covered the entire cost of snacks, games, crafts and prizes. For our movie day, we are asking for individual parents to cover the cost.

Please complete the permission form below, indicating if your child may receive the popcorn snack. If not, due to allergies, please feel free to send in something comparable for your child to enjoy during the movie.

We are looking forward to this continued holiday celebration, and hope the students enjoy the day. Happy Holidays!
