

# Together, we make fundraising a snap

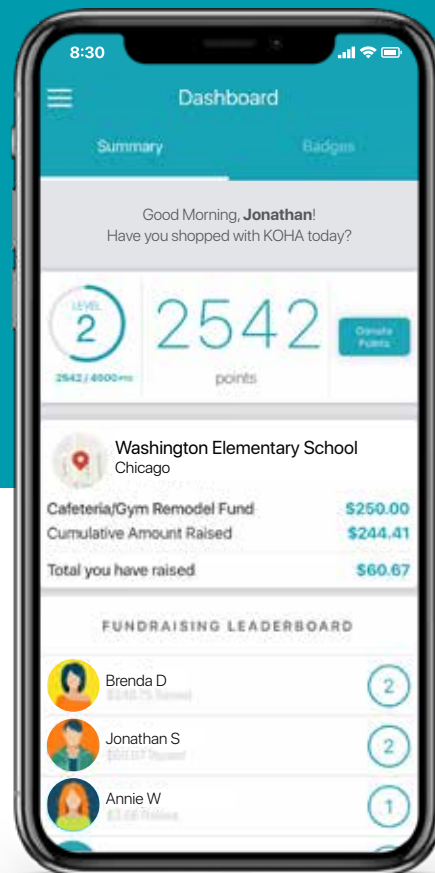

## KOHA is a free app that helps give back to schools and nonprofits each time you shop at local businesses

**No Small Change** — We believe that even small gestures can have a lasting impact on our communities. That's why each time you shop at local businesses within the KOHA network, that merchant gives a percentage to the school or nonprofit of your choice at no added cost to you. You'll even earn points and rewards redeemable at any KOHA merchant simply for supporting local.

**Together We Win** — For schools and nonprofits, KOHA is a powerful year-round fundraising tool. For local businesses, KOHA helps them connect with the communities of those beneficiaries to increase foot traffic and revenue. There are no commitments or upfront costs for schools, nonprofits, or businesses participating in KOHA. Business owners only donate a small percentage or flat rate back to a school or nonprofit after a customer snaps a photo of their receipt. Beneficiaries and merchants also have access to their own KOHA portal which lets them track donations from sales.

**Our Growing Community** — Currently, KOHA is partnered with schools in District 58 and 99, the Education Foundation of Downers Grove District 58, the Indian Boundary YMCA, and One Hope United of Chicago, along with a growing list of local merchants in the Chicagoland area.

**If your local business, school, or nonprofit is interested in becoming a merchant or beneficiary, email us at [more@koha.life](mailto:more@koha.life)**

-  **SHOP**  
KOHA merchants
-  **SNAP**  
a photo of your receipt
